

Dear Neighbor,

We want to personally thank you for your support last year with our HOF Marathon event. We are scheduled to run again this year on Sunday, April 28th. We currently have runners from 42 states and 6 countries that will be participating in this race. Our scheduled start time is 7:00am and all runners will be done by 1:10pm. This year our course flows through the City of Canton and parts of Avondale.

Our main mission this year is gaining neighborhood support and having you be involved in on the fun. We believe this marathon is a way to showcase the city of Canton and its great neighborhoods. We would love for you to volunteer your time cheering on participants as they pass your residence and are kindly asking for your support and cooperation on race day.

The enclosed information provides a street by street guide to help you plan for the arrival of the first runner and the last runner. In many cases, we will be running on both sides of the road. If you need to leave your homes, please do so with caution. We are going to instruct our runners to give way to any vehicle that is on the course.

The daunting marathon is truly a community event and requires a community effort. Again, we deeply appreciate your support. As a member of our community you truly play an important role in our overall success. We look forward to seeing your cheering efforts on race day.

Thank you for your support,

Jim Chaney  
Executive Race Director
